December 1st, 2017

Dear korfball friends,

Finally, it's the time of the year again: the invitation for the 36th Attila Tournament! This year the tournament will take place on **Friday 6th**, **Saturday 7th** and **Sunday 8th** of April 2018.

The tournament will be held in at the Students Sport Centre in Eindhoven again and we accommodate 48 teams from all over Europe. In contrast with last year, there will not be an outdoor tournament. This means there will only be a tournament indoors!

During the Tournament, it will be possible to sleep in the sports complex on both Friday and Saturday night. On Friday, we will have our famous pub crawl and on Saturday there will be an amazing theme party!

To give everyone an opportunity to attend our tournament, second and third teams will first be placed on the reserve list. If you want to secure your team's enrolment on the Attila Tournament, it would be best to respond as soon as possible and before the **1st of February 2018**. After the first of February teams of the reserve list will, if possible, enter the tournament until the total capacity of 48 teams is reached. If you register after the first of February, the team will be put on a waiting list to take the place if a team drops out. Please keep in mind that it is only possible to enter the tournament with a reserve team if you have eight or more players playing in it (so you need at least a total of sixteen people for two teams).

If you want to participate in the 36th Attila Tournament, please respond to this invitation by sending back an e-mail, containing the following information: your name, the name of the club, your phone number and the number of teams. Your enrolment will only be complete if we have all this information.

Further information will follow. If you have any questions, please feel free to ask. Updates regarding the tournament can be found on our [Website](#) and our tournament [Facebook](#) page (do not forget to like it!) See you all in April 2018 for an amazing weekend!

With kind regards,

On behalf of the Tournament Committee 2018,

Amber van der Beek
